On the Wings of the Angels  
And the Heart of the DOVE.

### **Ceremony for Candlemass/Imbolc**

The Triune Trinity of the Peace DOVE calls to you at this time of Candlemass/Imbolc, the Time of the Festival of Lighting a Candle in the deepest time of Darkness.

It is a symbolic gesture, of course, which has been honored through the centuries, but at this time, the darkness is stronger than ever and every candle is required to hold true to the light, and shine forth until light again is ready to penetrate the surface.

As each of you symbolically light your candles, pray to connect with the Brotherhood and Sisterhood of the Light, and with your Brother and Sister Emissaries, igniting a bonfire of love, light and power, to penetrate that which has gathered to choke off the light. Feel your heart light strengthen and as you hold the light strongly in your heart, reach out and join with others to continue building a bonfire of love and light.

### **Aligning the Selves with the Integrity of the Present**

Marta' Sophia, Guardian and Marta' Janelle, Caretaker are together, today, January 27th, connecting with each of you and asking for our focus for this year of Yesod. We are connecting deeply with the Magician Path (Beth/House), Kether (Crown) to Binah (Understanding, the Pattern). Join us in tapping into the Blueprint you will use to construct your home for your integrated Self of the present. As you connect all year to Yesod, vow to release all that no longer serves or is to reside in this new home you are constructing.

We see each Emissary of the Grid aligning their 3 selves with the Integrity of the present moment thereby Creating a DOVE Community of Peace, Oneness and Joy that is in alignment with your soul's purpose.

In order to support our growing Grid Emissaries with the connection we began in 2008, Grid Emissary Laura Maurer, UPM has volunteered to administer our DOVE Soul Community Network (a private Facebook-type network for Grid members only). Watch for an email soon announcing its launch.

We have also instituted a program entitled Global Peace Community Ambassador Program.

*The Grid of the Peace DOVE's (Grid) Mission is being expanded to allow beings of all Nations on Earth the opportunity to serve collectively as a seed group to Infuse their individual Pattern of Creating Communities of Peace, Oneness & Joy into the blueprint of Human DNA.*

*As each Global Grid Emissary connects with open hearts and conscious minds with Divine Union a flow of ideas and experiences co-creates within the Grid a matrix for evolving the Pattern of Creating Communities of Peace, Oneness & Joy.*

Emissary Seung Yeon Kang in South Korea and Manuela Kornatz in Germany are the first two beings to hold DOVE Global Peace Ambassador Positions from inside the Grid. Rev. Lusana Joy Hernandez and Rev. Jana Svava have agreed to volunteer as Translators for new Grid applicants within the following languages:

Jana: Czech, Japanese, French (verbal only) & Spanish  
Lusana: Spanish

You may contact M. Janelle for additional details, requirements and duties of our DOVE Global Peace Community Program. Marta' Sophia, Rev. Lusana and new Emissary Lisa Maroski, are working with our first admission to the Grid, a candidate from Argentina, who will be working with us on expanding our Transformational Tango visions.

(((((((::)))))))))

So, Beloved Emissaries of the Grid of the Peace DOVE, in this the year of Yesod, connect with the Construction of a Home of the Present Moment for your 3 Selves and communicate this process directly to our DOVE Community. Use the tools of the Autori book, 'The Diamond People', the DOVE Soul

Community Network and/or advancing in your service through participation with the DOVE Ministry, whichever works best for you and for the integrity of your True Self – in this Year of Yesod, the first 9 of the new millennium, the Year of the Moon and our subconscious.

Note: If you would like to hear more on the concept of Soul communities, you can listen to a radio blog by Emissary Lonna Bartley and M. Sophia. Just connect to [www.blogtalkradio.com/humanity101](http://www.blogtalkradio.com/humanity101). We hope to have this available on our DOVE Soul Community Network in the near future.

*“Know that you hold the Light, Love and Power of your personal Soul Community and vow to communicate that knowing with the Community of the Grid.”*
